Launceston College is the largest school in Tasmania.

It is located in the centre of Launceston city, beside the river, parklands, shops and cafés.

The school offers a wide array of subject choices and has built a tradition of excellence for over 100 years.

Launceston College has an advanced STEAM (Science, Technology, Engineering, Arts and Mathematics) department, with high tech facilities allowing for all manner of exciting projects to be undertaken by students.

Students can use technologies such as virtual reality, 3D printing and laser cutting to create prototype products.

Other advanced facilities include a swimming pool and weight gym, fully equipped media production facilities, and a large art department. Launceston College also features an outstanding support for international students, with an experienced team

of International Student Advisors helping students to make the most of their time at the school.

Key subjects and extracurricular activities:

- Engineering & Object Design
- Digital Enterprise Technology: Game Making and Design
- Graphic Design
- Advanced Mathematics
- Art Production
