Kedron State High School academic outcomes are consistently above the state average, and more than 95% of our students are offered a university place.

We have highly dedicated teachers who give time and attention to the welfare and achievements of each student, offering support, extension classes and career information, and help with life-skills such as organisation and time-management.

We have the largest English as an Additional Language/Dialect (EAL/D) program in North Brisbane with approximately 60 languages spoken within the school community.

In our extra programs, including Lego robotics, chess, debating, sport and music, you can learn new skills, strengthen new friendships and make beautiful memories

We are 6 km from Brisbane's centre and 7km from Brisbane International Airport.
