Springfield Central State High School is located south-west of Brisbane in an award-winning community. We provide a complete education in a safe and supportive environment where our teachers will mentor you individually to ensure you are successful, happy and prepared for your future.

You can relax and focus in a separate international student lounge and kitchen.

We have a robotics lab, gym, drones and virtual reality racing equipment. We also have 2 pet turtles in the library.

High-achieving students can join our science, maths, and technology program or our health careers program and we also have a business ideas competition called 'Shark Tank'.

To help improve your English and make friends you can join our clubs, including Homework Club, Tech Club, Yearbook Club and Drama club.
