At Yeronga SHS we provide learning pathways for a socially, economically and environmentally balanced future.

We also promote values and attitudes that enable you to become more resilient and ready for the changing world of post-secondary options and directions.

A student-focused, medium-sized school, we promote a very safe and dynamic learning community only restricted by imagination and effort.

We offer traineeships, apprenticeships and university pathways, as well as an extended Year 10 to 12 Core Skills Support program that enhances your future pathways.
